Topics in Pediatric Emergency & Critical Care Medicine Conference

Legacy Emanuel Lorenzen Conference Center
April 20, 2012

Please complete and return the conference evaluation forms to the registration table at the end of the conference. Be sure to include the amount of credit you have earned in the appropriate box. Your comments and suggestions are greatly appreciated.

Overall Conference Objective
This one-day conference is designed to provide pediatricians, family practice physicians, emergency medicine physicians, nurse practitioners and physician assistants with the latest information on pediatric emergency and critical care. Participants will gain practical knowledge from expert providers in the care of acutely ill and injured children.

Desired Outcomes
- Increase knowledge of evidence-based evaluation and management of pediatric head and spine trauma.
- Increase utilization of established and novel application of ultrasound and its role in pediatric emergency care.
- Increase awareness of evidence-based management of skin infections and abscesses in the MRSA era.
- Increase awareness of the evaluation and treatment of the critically ill child.
- Increase utilization of the evidence-based guidelines to analgesia and sedation in children.

Accreditation
This program has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of Legacy Health and Susan G. Komen for the Cure. Legacy Health is accredited by the Oregon Medical Association to sponsor continuing medical education for physicians.

Legacy Health designates this live activity for a maximum of 7.0 *AMA PRA Category 1 Credit(s)*™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Target Audience
The target audience for this conference is physicians and Legacy medical executive committee members.

Faculty Disclosure
- Dr. John Doe has disclosed he is on the speaker's bureau for XYZ Pharmaceuticals.
- Dr. Jane Smith has disclosed she is involved in research/grants for XYZ Pharmaceutical.
- All other course faculty have disclosed they have no relevant financial relationships with commercial interests that may have a direct bearing on the subject matter of this CME activity.
