

Legacy Health PGY1 Pharmacy Residency Program

Six PGY1 residents across 5 unique practice sites. Each resident will have a home site for required learning experiences (general medicine, critical care, emergency medicine, administration, precepting and project), staffing requirements and at least 1 elective. Residents will be able to complete up to 12 weeks of elective rotations at another Legacy Health site. Elective experiences include ambulatory care, kidney transplant, infectious diseases, elective critical care (pediatrics, cardiovascular, neurotrauma, neonatal), pediatric and adult oncology, and transitions of care. Other elective learning experiences may be developed based on resident interest and preceptor availability.

Residency Program Director: **Katie Yabut, PharmD, BCPS** kyabut@lhs.org
