Continuing Medical Education

This program is available as a live Webinar. To register, please go to our CME Webinar webpage at CME Webinars**.**

Health Literacy

Topic: Best Practices in the Clinical Setting

Speaker: ***Cliff Coleman, MD, MPH***
Assistant Professor of Family Medicine
Oregon Health & Science University

Date: Tuesday, January 29, 2013
12:00 – 1:00 p.m.

Location: Conference Room C/D
Legacy Salmon Creek Medical Center

Desired Outcomes:

1. Increase knowledge about low health literacy and the impact on patient outcomes.
2. Increase use of "teach back" and other communication methods for patient education.
3. Increase knowledge about screening tools for patients with low health literacy.
4. Increase use of plain language in reading materials for patients with low health literacy.

Disclosure: Detailed faculty disclosures will be made available to participants prior to the activity. All planning committee members have disclosed they have no relevant financial relationships with commercial interests that may have a direct bearing on the subject matter of this CME activity.

Target Audience: Physicians of all specialties, Residents, Nurses, Pharmacists and PAs
