Randall Children's Hospital Foundation

LEGACY HEALTH

Toy and Child Life Program Wish List

This wish list consists of toys and supplies that can be enjoyed by hospitalized patients throughout the year (we kindly request no holiday-themed or packaged gifts). This list includes items that are needed for patients to use in their hospital rooms, as well as for group activities such as BINGO. We play BINGO on a weekly basis, and are in need of small toys/activities in the $5-10 range for all ages (birth through 18 years) that can be used as prizes.

For health and safety reasons, we are only able to accept new and unwrapped items in their original packaging.

Please note: Toys with any fabric are not washable according to our toy cleaning policy and must be given to a child to take home, whereas toys made of all plastic are washable and can be beneficial to multiple patients.

To make a cash donation that allows us to purchase toys, arts and crafts supplies, please visit www.legacyhealth.org/childrenshospitalgiving. In the drop-down box under the heading "Donor Designations," please designate your gift to *Child Life.*
