1909 Society

In 1909, Legacy Emanuel Hospital was founded by citizens dedicated to the delivery of compassionate health care to all. The founding spirit is alive today through the generosity of 1909 Society donors, who enable this legacy of community care to emanate today as much as it did in Legacy Emanuel's original facility.

Membership in the 1909 Society is granted to donors with annual cumulative contributions of $1,000 or more to Emanuel Medical Center Foundation or Randall Children's Hospital Foundation. To learn more, please contact Angelo Turner, executive director of Emanuel Medical Center Foundation, at 503-413-4588 or angturne@lhs.org or Lynn Hallbacka, associate director of development for Randall Children's Hospital Foundation, at 503-413-4141 or lhallbacka@lhs.org.
