Continuing Medical Education

Eye Vitals- An Update in Ophthalmology with Devers Eye Institute

Agenda/Speakers: **See Page 2**

Dates: Friday, October 3, 2014

Location: Legacy Emanuel Medical Center
Lorenzen Auditorium
301 N. Graham St.
Portland, OR 97227

Desired Outcomes:

1. Increase ability to identify what conditions necessitate a referral
2. Increase knowledge of initial management for ocular trauma
3. Improve ability to differentiate between urgent and non-urgent ocular conditions

Disclosures: Detailed faculty disclosures will be made available to participants prior to this activity. Steven Mansberger is a consultant/advisor for Alcon Laboratories, Allergan, Envisia and Santen Inc. and receives research grants from Allergan, Merck and Mobius. All other planning committee members have disclosed they have no relevant financial relationships with commercial interests that may have a direct bearing on the subject matter of this CME activity.

Target Audience: Primary care providers, hospitalists, emergency medicine providers, trauma surgeons, physician assistants, fellows and residents.

☎ **For more information, please call Kelsey Oakes, Legacy Devers Eye Institute at 503-413-6540 or email koakes@lhs.org**

Legacy Health is accredited by the Oregon Medical Association to sponsor continuing medical education for physicians. Legacy Health designates this live activity for a maximum of 3.0 *AMA PRA Category 1 Credit(s)*™. Physicians should only claim credit commensurate with the extent of their participation in the activity

In accordance with the American with Disabilities Act, Legacy Health seeks to make this conference accessible to all. If you have a disability which might require special accommodations, please contact Emanuel Emergency Department Administration at 503-413-4870
