## Accreditation:

Legacy Health System, Patient Care, 1015 NW 22nd Avenue, Portland Oregon, 97210, is approved as a continuing education provider. Provider approved by the California Board of Registered Nursing, Provider Number CEP8749 for a maximum of 5.25 contact hours.

## Desired Outcomes

1. Describe Stop the Bleed Program and how to become a certified first responder or instructor.
2. Learn basics of stopping life threatening bleeding.
3. Demonstrate how targeted interventions can promote resilience in a school setting.
4. Understanding the new seizure classification system; seizures versus pseudoseizures; best practice for seizure emergencies; and how to say "no" to medical marijuana.
5. Describe trends in insulin dependent diabetes management in the school setting including continuous glucose monitoring and insulin pumps.
6. Summarize the management of common types of hemophilia.
7. Increase awareness of recognition and management of an adrenal crisis.
8. Describe the role of athletic trainers in the school setting.
9. Explain how athletic trainers and school nurses can work together to address sports injuries.
