

Legacy Health

Legacy Portal Tip Sheet:

Recommended internet browser for accessing the Legacy Portal

The Legacy Portal and the Legacy Intranet (MyLegacy) are not compatible with IE7. Check the browser version before creating a ticket with the IS Service Desk (503-415-5888).

To access the Legacy Portal or MyLegacy, the recommended supported browsers are:

- IE 11

- Google Chrome

At a Legacy campus:

Users should call the IS service desk for browser issues, 503-415-5888 (x55888).

Personal device:

Users can download one of the following browsers:

Downloads:

IE11 for Windows 7:

<https://www.microsoft.com/en-us/download/internet-explorer-11-for-windows-7-details.aspx>

Google Chrome:

<https://www.google.com/chrome/browser/desktop/>
