fall ball

A benefit for
cancer services

Friday, September 22, 2017 • Castaway Events Center • 6:30 p.m.

Join us for a magical night of cocktails and circus performances to raise funds and awareness for Legacy Good Samaritan's cancer services. The Legacy Cancer Institute is at the forefront of cancer care, with timely diagnoses, treatments and ongoing support for cancer survivors.

A MEDICAL LEADER

Ranked among the nation's best cancer programs by the American College of Surgeons Commission on Cancer, Legacy Cancer Institute has some of the region's most renowned surgeon's and radiation oncologists, as well as a team of genetics specialists, nurse navigators, therapists and patient support staff to guide and support patients during every stage of treatment.

Founded in 1875, Legacy Good Samaritan is nationally recognized as a pioneering regional medical center for critical and advanced care. A leader in cancer services, eye health and kidney transplantation, and the region's only Emergency Department with embedded Urgent Care services, Legacy Good Samaritan provides specialized care 24/7.

HEALING THE MIND, BODY AND SPIRIT

Because a cancer diagnosis can be overwhelming, confusing and frightening, Legacy Cancer Institute's services are designed to support patients, both physically and emotionally, throughout their healing journey. **Our patients receive the entire spectrum of cancer care, from screening and diagnosis to treatment, recovery and survivorship. And, Legacy continues to implement medical advances and cutting-edge technology that saves lives.**

Community support provides funding for life-saving advancements, medical research, education outreach, support services and care for those who lack financial resources. Generous gifts will make it possible for the Legacy Cancer Institute to transform the health of cancer patients with seamless, high-quality patient-centered cancer care.
