Brad Fortune, O.D., Ph.D.
- 10:15–10:40 a.m. **New Standards in the Medical and Surgical Care of Retina Patients**
Andreas Lauer, M.D.
- 10:40–11:05 a.m. **Racial Variations in Optic Nerve Structure: Implications for Disease Detection and Susceptibility**
Christopher Girkin, M.D., MSPH
- 11:05–11:35 a.m. **Case Presentations — Panel Discussion**
Julie Falardeau, M.D., moderator
- 11:35 a.m. Adjourn

Course Directors

Steven L. Mansberger, M.D., MPH
Eric Jones, M.D.

Course Faculty

Claude Burgoyne, M.D.

Senior Scientist and Research Director
Optic Nerve Biomechanics Laboratory
Legacy Good Samaritan Devers Eye
Institute

Annette Cleveland

Washington Government Affairs Officer,
Legacy Health

Gina Cole

Oregon Government Affairs Officer,
Legacy Health

Fiona Costello, M.D., FRCP

Associate Professor
Department of Clinical Neurosciences
and Surgery
University of Calgary, The Hotchkiss
Brain Institute

Julie Falardeau, M.D.

Assistant Professor, Ophthalmology/
Neuro-Ophthalmology
Casey Eye Institute
Oregon Health & Science University

Brad Fortune, O.D., Ph.D.

Associate Scientist
Discoveries in Sight Research
Laboratories
Legacy Good Samaritan Devers Eye
Institute

Christopher A. Girkin, M.D., MSPH

Professor of Ophthalmology
Director, Glaucoma Services
University of Alabama Birmingham

Andreas K. Lauer, M.D.

Assistant Professor of Ophthalmology,
Retinal-Vitreous
Casey Eye Institute
Oregon Health & Science University

Jennifer Y. Li, M.D.

Assistant Director of Corneal Services
Legacy Good Samaritan Devers Eye
Institute

Steven L. Mansberger, M.D., MPH

Associate Scientist
Director, Glaucoma Services
Legacy Good Samaritan Devers Eye
Institute
Associate Clinical Professor
Oregon Health & Science University

Karen Rice, O.D.

Vision Rehabilitation Specialist
Legacy Good Samaritan Devers Eye
Institute

R. Doyle Stulting, M.D., Ph.D.

Director, Stulting Research Center
Woolfson Eye Institute
Professor of Ophthalmology, Emeritus
Emory University

Eric B. Suhler, M.D., MPH

Associate Professor of Ophthalmology
Casey Eye Institute
Co-Director, Uveitis Clinic
Oregon Health & Science University
Chief of Ophthalmology
Portland VA Medical Center

Mark A. Terry, M.D.

Medical Director, Cornea Services
Legacy Good Samaritan Devers Eye
Institute
Professor, Clinical Ophthalmology
Oregon Health & Science University

Learning Objectives

Upon successful completion of this lecture, the participant should be able to:

1. Discuss how to treat wet age-related macular degeneration.
2. Determine how to use the newest imaging instruments for glaucoma and anterior segment disease.
3. State when and incorporate how to use a phakic IOL for refractive surgery.
4. Discuss newest signs, symptoms, and treatments of multiple sclerosis.
5. Identify the indications and discuss results from surgical alternatives to trabeculectomy.
6. Improve ability to diagnose and treat infectious keratitis

Target Audience

The target audience for this conference is ophthalmologists and other eye care professionals.

Conference Location

Legacy Emanuel Medical Center, Lorenzen Auditorium, 2801 N. Gantenbein, Portland, Ore. Parking is available in all three parking structures. Parking structure #3 on Graham Street is most convenient.

Accreditation

Legacy Health is accredited by the Oregon Medical Association to sponsor continuing medical education for physicians.

Legacy Health designates this educational activity for a maximum of 9.0 *AMA PRA Category 1 Credit(s)*.™ Physicians should only claim credit commensurate with the extent of their participation in the activity.

More Information

For more information, please contact Legacy's Department of Continuing Medical Education at 503-413-3401 or visit the Devers Eye Insitute Web site at www.legacyhealth.org/devers.

Disclosures

A full faculty disclosure will be presented at the conference.

Registration Information

The registration fee for this conference is \$250. Fee includes conference materials, continental breakfast both days, and lunch on Friday. Legacy Health reserves the right to cancel this program. If Legacy cancels this program, registration fees will be refunded in full.

Exhibits and Financial Support

Exhibits are open each day of the conference and located in the Upper Lorenzen Conference Center. Companies providing educational grants and exhibits will be identified prior to the conference.

This program is made possible in part by Good Samaritan Foundation.
