

RESIDENTS

First Year

Lael Beachler, DPM

- College:** Brigham Young University, Rexburg, Idaho
- Podiatry School:** Midwestern University/Arizona School of Podiatric Medicine
- Future Goals:** 1. Enjoy the journey. 2. Make a difference. 3. Learn as much as possible and apply what I have learned to better our profession, our community, my family and myself.
- Personal Interests:** Any sport (basketball in particular), outdoor recreation, movies, artwork (pastels are my favorite), spending time with my girls.

Janson Holm, DPM

- College:** Brigham Young University, Provo, Utah
- Podiatry School:** Rosalind Franklin University/Dr. William M. Scholl College of Podiatric Medicine
- Future Goals:** Practice as a successful podiatric foot and ankle surgeon by providing medical and surgical care of the foot and ankle in a skillful, evidence-based manner. Stay at the forefront of podiatric medicine and surgery throughout my career. Help increase respect for podiatric medicine/surgery through good practice, smart research, and insightful interaction with other physicians as we work together to improve health care through a multi-disciplinary approach.

Personal Interests: Anything involving the great outdoors: camping, fishing, hiking, mountain biking. Amateur photography and digital graphic design. Spending time with my wife and two daughters.

Tara Shirley, DPM

- College:** Oregon State University, Corvallis, Oregon
- Podiatry School:** Des Moines University College of Podiatric Medicine and Surgery
- Future Goals:** Continue broadening my education in the podiatric medical field so I can provide the highest quality of healthcare to my patients.
- Personal Interests:** Traveling, reading, running, playing basketball/sand volleyball, snowboarding, hiking, camping, hunting

Second Year Second Year

David Arndt, DPM

- College:** Mississippi State University
- Podiatry School:** Scholl College of Podiatric Medicine
- Future Goals:** Working closely with colleagues within podiatry and other specialties to provide quality healthcare. Advising patients on preventative measures, as well as, treating those patients in advanced diseased states.
- Personal Interests:** Snowboarding and cross country skiing in the winter. Cycling (mountain and road), fishing, and golf in the summer. Year round: playing guitar, building/carpentry, archery.

Trent Corpron, DPM

- College:** Utah State University
- Podiatry School:** The Ohio College of Podiatric Medicine
- Future Goals:** Graduate from residency, get a job and pay off the student loans.
- Personal Interests:** Spanish novelas, Oprah, bon bons

Ying-Hui Alice Wang, DPM

- College:** University of British Columbia
- Podiatry School:** California College of Podiatric Medicine
- Future Goals:** To go on a medical mission, to be an active member of this profession, to be open to new ideas and look for improvement, to participate in this new generation of multi-disciplinary approach to medicine.
- Personal Interests:** Cooking up a storm and making a mess in the kitchen, out for a run with Shadow, shopping, playing on the Steinway, going to the beach

Third Year

Ryan Downey, DPM, Lead Resident

- College:** Simon Fraser University, Burnaby, B.C., Canada - BS (Kinesiology)
- Podiatry School:** Ohio College of Podiatric Medicine
- Future Goals:** Pay off student loans
- Personal Interests:** Woodworking, basketball, soccer, golf, spending time with my wife and kids.

Brooke Gifford, DPM

- College:** Luther College, Decorah, IA; Bachelor of Arts
- Podiatry School:** California School of Podiatric Medicine
- Future Goals:** Get a job where I can apply everything I was trained and love doing it, live near the ocean, visit every continent at least once, learn to speak Italian.
- Personal Interests:** Traveling, reading, skiing/hiking/tennis/golf if I had time!

Tim Mineo, DPM

College:

University of Colorado at Boulder

Podiatry School:

Rosalind Franklin University of Medicine and Science/Scholl College of Podiatric Medicine

Future Goals:

To continue a life of education and advancement in my profession. To give back to my profession like so many ahead of me have done and to be instrumental in the continuation of our forward progression.

Personal Interests:

Being on the mountain with my skis, on the road with my bike, or sitting in front of my drums playing some music. I love the winter, but look forward to every summer ahead.
