## Legacy LabAlert

April, 2014

### An Important Update from Legacy Laboratory Services

#### Legacy WEBLink Test Updates

Effective **April 30, 2014**, there will be several changes to coagulation test names and codes in Legacy WEBLink. Please refer to the **Legacy WEBLink Test Updates** table for the list of changes.

For more information about this project, please contact the Lab Outreach Team at 503-413-4190.

Thank you for choosing Legacy Laboratory Services.
