

## Saving Lives ... A Night for Heroes

*benefiting*

**Legacy Emanuel Medical Center**

Friday, October 28, 2016 • Sentinel • 6:30 p.m.

We invite you to join us at this gala event, which will raise funds and awareness to support the vital programs and services at Legacy Emanuel Medical Center.

### A MEDICAL LEADER

Legacy Emanuel Medical Center has been central to the health of the greater Portland area, and beyond, for over 100 years — since its 1912 opening in a converted three-story house. Founded by the Rev. Carl Renhard to address the health care needs of the growing community, Legacy Emanuel continues to serve as a pioneering regional medical center for critical and advanced care.

As a leader in trauma, burn and intensive care, as well as the region's hub for Life Flight and other critical care transport, providing specialized care is what we do – 24/7. Our physicians and nurses save lives each and every day. A medical pacesetter, Legacy Emanuel ensures that our community has access to the most current medical treatments and technology. Our staff are caregivers, teachers and community leaders – we are essential to the health of the community.

### LEGACY EMANUEL

Philanthropy has always been at the core of our mission, fueling medical advances and innovations in patient care. This is truer today than ever before.

Donations to Emanuel Medical Center Foundation directly enhance the health of our region by supporting patient care, equipment purchases, medical research, continuing medical education and training for staff, community health education and charity care. Please join us as we create a healthier future.
