An Important Update from Legacy Laboratory Services

Legacy WEBLink Test Updates

Effective, the afternoon of **June 18**, there will be several changes to sendout test names and codes in Legacy WEBLink. Please refer to the **Legacy WEBLink Test Updates** table for the list of changes.

Please note that there will **not** be a Legacy WEBLink downtime for this change.

For more information about this project, please contact the Lab Outreach Team at 503-413-4190.

Thank you for choosing Legacy Laboratory Services. Innovative - Dedicated - Integrated - Preferred
