To Prepare for the Next Series of Classes

Legacy PCC Therapeutic Horticulture Informational Meetings 5:00 – 6:30 p.m.

Good Samaritan Hospital, 1015 NW 22nd Ave. Wistar Conference Room, first floor.
Plan to attend one of the meetings for more information about PCC Gerontology and the Therapeutic Horticulture courses and the certificate program.

October 19, 2009

Jan 25, 2010

April 19

RSVP required to thazen@lhs.org or <http://www.pcc.edu/ger>

In preparation for the six course therapeutic horticulture sequence, we recommend that students take at least one gerontology class, one horticulture class, one psychology class and complete the activity director course in the gerontology program. This helps students have background to best engage with the therapeutic horticulture training courses.

The six courses need to be taken in sequence. Courses one and two may be audited with permission of the instructor.
