

How does our garden grow?

With the generosity of our friends.

The Children's Garden at Randall Children's Hospital at Legacy Emanuel provides a therapeutic oasis for healing the body and spirit of all who visit.

The Children's Garden is a centerpiece of our award-winning Horticultural Therapy program. Your gift of any amount will help patients use plants and gardening as part of their physical, speech and recreational therapy.

Inscribing a tile or brick in the garden is a wonderful way to honor a loved one or to have your name or special memory associated with this beautiful, peaceful place.

Other giving opportunities are also available. For more information call 503-415-4700 or visit www.legacyhealth.org/giving.
