

Legacy Health Parking Registration

All Legacy employees, physicians, volunteers, students and others who work or attend school on the campuses of Legacy Health are required to register all vehicles used for commuting to and from any Legacy Health campus. This includes all campus/off-campus lots, parking structures, and streets. These vehicles must display the appropriate window decal in the **lower right-hand corner of the rear window** (exceptions are pickups and vehicles with removable tops, in which case the decal should be placed on the upper corner of the windshield on the passenger side). Thank you for your cooperation.
