

# Legacy Employee Health Services

## Work Place Injury Checklist

### Next Steps for Legacy Employees who have had an injury at work:

- ☐ Follow the first aid instructions you were given by the nurse triage line
- ☐ Report your injury to your supervisor, manager, or charge RN as soon as possible
- ☐ File an ICARE about your injury using the Employee Workplace Event Type and describe the incident

### EMPLOYEE HEALTH FOLLOW UP PROCEDURES

- No-cost follow up with Employee Health Services during business hours for Legacy personnel, if you seek care outside of Employee Health, please contact Broadspire about work compensation resources that might be available.
- To schedule an appointment, you can use the following [link](#) to our Employee Health Services page
