AGREEMENT FOR RESIDENCY

This Residency Employment Agreement (“Agreement”) is entered into between Legacy Good Samaritan Medical Center, an Oregon nonprofit corporation (“Legacy Health”), and Name (“Resident”).

RECITALS

A. Legacy Emanuel Medical Center and Legacy Good Samaritan Medical Center (collectively “Hospitals”) are tertiary care teaching hospitals in Portland, Oregon, and are suitable environments for medical education experience and provide such experience through structured programs (“Residency Program”).

B. Resident wishes to participate in a training program that meets the standards and Requirements for Approval of Residencies in Podiatric Medicine and Surgery with Reconstructive Rearfoot/Ankle Surgery (PMSR/RRA) as prepared by the Council on Podiatric Medical Education.

C. Resident’s training under this Agreement will take place at Legacy Emanuel Medical Center and/or Legacy Good Samaritan Medical Center, as needed.

AGREEMENT

In consideration of the mutual covenants and premises herein, the parties agree as follows:

1. Employment Status. Resident shall be employed at an R-1 level in the Podiatric Medicine & Surgery Program of Hospitals.

2. Term. The term of this Agreement shall be from 6/17/2019 (“Effective Date”) through 6/21/2020. This Agreement may be renewed for an additional term of twelve (12) months, if applicable, up to a cumulative total of thirty six (36) months. Should either party decide not to renew this Agreement, that party shall give written notification of intent not to renew at least one hundred and twenty (120) days prior to the contract expiration date; provided, however, that if allowed by the accreditation requirements, Legacy Health may provide Resident with less notice of non-renewal in compliance with “Procedures for Review, Evaluation & Promotion of Residents” as found in Hospitals’ Graduate Medical Education Policy Manual. In the event of non-renewal of this Agreement, Resident may implement the grievance and due process procedure in accordance with “Resident Resolution of Problems and Grievances” as set forth in Hospitals’ Graduate Medical Education Policy Manual.

This Agreement, and Resident’s employment with Legacy Health, is contingent upon Resident having: (a) successfully completed a pre-employment health assessment (which includes a drug screen) and other pre-employment screenings as required for all new employees.
of Legacy Health; (b) a legal right to work in Oregon; and (c) all Visa or other immigration permits necessary to properly perform the services under this Agreement, on or before 6/17/2019. During the duration of this Agreement, Resident shall ensure that such immigration and work authorizations remain current. If appropriate immigration and work authorizations are not properly maintained, Legacy Health may terminate this Agreement without prior notice.

3. Evaluation. Each Resident will be evaluated periodically and the evaluation will be documented in his or her record. This evaluation will be based upon Resident’s overall performance, including cognitive and clinical abilities, as measured by the assessment(s) of members of Hospitals’ Medical Staff, evaluation forms, and other methods appropriate to Resident’s specialty. Notwithstanding Section 2 above, if Resident’s performance is considered unsatisfactory in any area, Legacy Health may in its sole discretion terminate this Agreement at any time, in accordance with “Procedures for Review, Evaluation and Promotion of Residents” as set forth in Hospitals’ Graduate Medical Education Policy Manual.

3.1 Renewal. As appropriate to the level of training during this Agreement, Legacy Health shall provide a position in subsequent years of clinical training contingent upon satisfactory completion of the preceding year. The Resident may be offered a new fixed term appointment for continuation of the GME program. The process for renewal shall follow the policy as found in Hospitals’ Graduate Medical Education Policy Manual, “Procedures for Review, Evaluation and Promotion of Residents”.

4. Hospitals’ Responsibilities.

Hospitals shall:

4.1 Provide a training program that meets the standards and Requirements for Approval of Residencies in Podiatric Medicine and Surgery with Reconstructive Rearfoot/Ankle Surgery (PMSR/RRA) as prepared by the Council on Podiatric Medical Education.

4.2 Pay Resident a salary of $Salary per year for a full-time (1.0 FTE) appointment.

4.3 Provide Resident benefits as set forth in Hospitals’ Graduate Medical Education policies for disability, health, life and dental insurance, and leaves of absence, vacation, sick leave, medical/ family leave, counseling and psychological support services, and other benefits as found in Hospitals’ Graduate Medical Education Policy Manual which is incorporated herein by reference. An Intern/Resident/Fellow is eligible for fifteen (15) days of annual paid vacation in accordance with GME Policy 4.10 – Vacation and Education Days and will be allowed the opportunity to schedule seven (7) consecutive days off (5 vacation days M-F plus 2 weekend days not charged against vacation leave bank) at any one time, two (2) times per year, with the remaining 5 vacation leave days available to schedule for conference attendance, job interviews, additional vacation, etc. as approved by the Program Director, and scheduled in accordance with the Departmental or Divisional policy. Annual vacation time is not cumulative from year to year. Resident agrees to follow the policies defined in Hospitals’ Graduate Medical Education Policy Manual, “Vacation and Education Days” and “Sick Days” in addition to the
policies established by his/her residency program, which is also incorporated herein by reference. All benefits shall commence on the Effective Date of this Agreement.

4.4 Provide disability insurance for injuries resulting from activities that are part of the Residency Program under Hospitals’ program of self-insurance.

4.5 Defend and indemnify Resident against damages in any amount for professional liability arising out of the professional activities of Resident within Hospitals and any assigned duty of Resident in any training program sponsored by Hospitals during the term of this Agreement. Professional liability coverage shall be provided in accordance with Hospitals' Graduate Medical Education Policy, "Resident/Fellow Professional Liability Coverage" and shall apply to claims reported or filed during or after the term of this Agreement.

4.6 Provide a work environment that promotes personal safety and Resident’s well-being and education through the establishment of Clinical and Educational Work Hours policies for each residency program. Clinical and Educational Work Hours policies are included in Hospitals’ Graduate Medical Education and Internal Medicine Policy Manuals.

4.7 Provide an institutional policy to address a reduction in size or closure of a residency program as found in Hospitals’ Graduate Medical Education Policy Manual, “Training Program Closure/Reduction.”

4.8 Provide an institutional policy regarding accommodation for disabilities.

4.9 Provide Resident with sleeping quarters and bathing facilities when Resident is required to work the night shift or when Resident must stay overnight in Hospitals to fulfill an “on-call” assignment. Hospitals do not provide residential housing for Residents or Fellows.

4.10 Provide Resident with on-call meals, at no cost to Resident, during on-call, in-hospital assignments.

4.11 Provide Resident with one or more lab coats (or equivalent) as described in Hospitals’ Graduate Medical Education Policy Manual. Resident is responsible for laundering lab coats (or equivalent) and maintaining a professional appearance when on duty.

4.12 Provide Resident with scrubs and appropriate protective gear when Resident is scheduled to work areas of Hospitals where such attire is required for infection control purposes. Scrubs are the property of Hospitals, and shall not be removed from Hospitals’ premises. Hospitals are responsible for the laundering and maintenance of all Hospital-owned scrubs.

4.13 Recognize the right of the Resident to use off-duty hours as he or she sees fit, including engagement in outside employment, so long as such outside employment does not interfere with his/her obligations to Hospitals or the effectiveness of the educational program to which he or she is appointed, and is in accordance with Hospitals’ Graduate Medical Education and Internal Medicine Policies, “Moonlighting.”
4.14 Allow Resident to join a Graduate Medical Education organization. A Graduate Medical Education organization may be formed, if so desired. Membership in the organization by Resident is optional.

4.15 Allow elected representatives from the Graduate Medical Education to serve on designated committees, as determined by the President of the Medical Staff and the chairman of the designated committee.

5. Resident’s Responsibilities.

Resident shall:

5.1 Fulfill satisfactorily, and to the best of his/her ability, the core and general accountabilities as stated in the Legacy Health Resident Job Description as set forth in Attachment A.

5.2 Fulfill satisfactorily, and to the best of his/her ability, the educational requirements of the training program in which Resident is enrolled.

5.3 Familiarize himself/herself with and abide by the policies, rules, procedures, and regulations established by Hospitals and Hospitals’ Medical Staffs, governing the work and conduct of Resident that are not inconsistent with this Agreement.

5.4 Familiarize himself/herself with and abide by Legacy Health policies, Hospitals’ policies, and Hospitals’ Graduate Medical Education and Internal Medicine Policy Manuals, as they exist now and as they may be amended during the term of this Agreement.

5.5 Complete all medical records for care given by Resident within the time frame stated in Hospitals’ policies and Hospitals’ Medical Staff Rules and Regulations.

5.6 Obtain a regular Oregon State License, or a temporary certification or registration, to practice medicine in the State of Oregon in accordance with applicable statutes and regulations.

5.7 Wear appropriate attire when on duty in accordance with Legacy Health Policy, LHS.500.503, Personal Appearance.

5.8 Fulfill any Clinical and Educational Work Hours which are scheduled by Hospitals and to which Resident is assigned.

5.9 Provide suitable professional liability coverage with minimum policy limits of One Million Dollars ($1,000,000) per occurrence and Three Million Dollars ($3,000,000) annual aggregate for any professional services rendered by Resident outside the scope of this Agreement.
5.10 Timely complete all necessary documentation to allow Hospitals to obtain allowable reimbursement for Resident’s professional services and to implement Hospitals’ insurance benefits.

5.11 Program appointment, advancement, completion, and eligibility for specialty board examinations are not assured or guaranteed to the Trainee, but are contingent upon the Trainee's satisfactory demonstration of progressive advancement in scholarship and continued professional growth. Unsatisfactory Trainee evaluation can result in required remedial activities, temporary suspension from duties, or termination of appointment and residency education. These actions and any periods of absence may result in the extension of the Program. Furthermore, if Resident takes a leave of absence, including, but not limited to, medical leave, family leave, personal or military leave, during the course of his/her residency training, Resident must be prepared and able, at Program Director’s discretion, to extend his/her residency beyond his/her expected graduation date for an amount of time up to the duration of the leave as referenced in Hospitals’ Graduate Medical Education Policy Manual. This extension may be necessary to meet residency accreditation requirements and to qualify Resident for certification in his/her specialty.

Board certification: Resident shall be responsible for the eligibility requirements related to specialty board examinations. Residents should discuss with the Program Director and/or contact the certifying board of his/her specialty.

5.12 Hospitals will not tolerate any form of harassment, including but not limited to sexual harassment. Residents’ rights and responsibilities are outlined in Legacy Health Policy, LHS.500.504, Harassment, as referenced in Hospitals’ Graduate Medical Education Policy Manual.

5.13 Hospitals are committed to providing and maintaining a workplace that is free from alcohol and drug abuse and other forms of impairment. Residents’ rights and responsibilities regarding physician impairment are outlined in Legacy Health Policy, LHS.500.702, Alcohol and Drug-Free Workplace Policy and in Hospitals’ Graduate Medical Education Policy Manual’s “Impairment” policy.

5.14 Abide by and be bound by the Intellectual Property Policy of Legacy Health, LHS.100.37, as such Policy may now exist or may hereafter be amended.

6. Exemption from the Fair Labor Standards Act. Resident is a professional employee of Legacy Health and, accordingly, is not entitled to overtime for services.

7. Grievance and Due Process Procedure. Should either party feel there is a violation or breach of this Agreement, the right of grievance and appeals, as outlined in Hospitals’ Graduate Medical Education Policy Manual, “Resident Resolution of Problems & Grievances,” may, but is not required to, be implemented by the party alleging breach. Any resident who wishes to express dissatisfaction relating to application of rules, discipline, policies and procedures, corrective action, termination, promotion or training opportunities, discrimination, harassment, and treatment by management, program director, faculty, colleagues
or other employees may do so as outlined in Hospitals’ Graduate Medical Education Policy Manual, “Resident Resolution of Problems & Grievances.”

8.1 Severability. If any term or provision of this Agreement, the deletion of which would not adversely affect the receipt of any material benefit by either party hereunder, shall be held to be invalid or unenforceable to any extent, the remainder of this Agreement shall not be affected thereby and each term and provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

8.2 Waiver. The waiver by either party of a breach of any provision of this Agreement shall not operate or be construed as a waiver of any subsequent breach. To be effective, a waiver must be in writing.

8.3 Controlling Law. This Agreement is executed and delivered in the State of Oregon and shall be construed and enforced in accordance with the laws of that state.

8.4 Modifications. This Agreement contains the entire understanding between the parties hereto and may be amended, modified, or supplemented only in a writing signed by the parties.

8.5 Assignment. This Agreement, being for the personal services of Resident, shall not be assigned by Resident. Legacy Health may assign this Agreement to successors or affiliates.

8.6 Notices. All notices hereunder shall be in writing and all demands hereunder shall be sent by registered or certified mail, addressed to the respective parties of their addresses herein set forth, or such other address as may be designated hereafter by registered or certified mail. Notices shall be deemed received when actually delivered or three (3) days after being mailed, whichever is earlier.

8.7 Independent Representation. Each party has had the opportunity to be represented by and to have this Agreement reviewed by his/her own separate legal counsel. Neither party makes or represents to the other any representation of law or fact, except as specifically provided in this Agreement.
8.8 **Entire Agreement.** This Agreement (together with all attachments) represents the entire agreement between Legacy Health and Resident with respect to the subject matter herein. It supersedes all prior agreements and understandings, whether written, oral or implied, including any agreements for residency between the parties for prior years.

IN WITNESS WHEREOF, the parties have executed this Agreement.

JOB DESCRIPTION

(See Attached)
TITLE: RESIDENT

REPORTS TO: DIRECTOR OF TRAINING PROGRAM and DIRECTOR OF GRADUATE MEDICAL EDUCATION

DEPARTMENT: GRADUATE MEDICAL EDUCATION

DATE LAST REVIEWED: June 25, 2007

JOB SUMMARY: A resident is a physician in training at any level of a graduate medical education residency program accredited by the Accreditation Council for Graduate Medical Education or the Council on Podiatric Medical Education. Residents provide patient care services, according to their level of responsibility, under the supervision of credentialed members of the Medical Staff. Residents are also responsible for educating other residents and medical students, as appropriate for their level of training, and as assigned by their Program Director.

Access Level to Protected Health Information (PHI):
B= Approved access to patient care areas and medical records of patients under their care as needed to carry out their duties.

QUALIFICATIONS:

Education: Must be a graduate of a medical school accredited by the Liaison Committee on Medical Education, the American Association of Colleges of Podiatric Medicine or the American Osteopathic Association, or a graduate of a medical school recognized by the World Directory of Medical Schools, published by the World Health Organization.

Licensure: Must hold a regular State Medical License for the applicable state, or a temporary certification or registration, to practice medicine in the applicable state in accordance with applicable statues and regulations. Must be a provider of Advanced Cardiac Life Support, certified by the American Heart Association.

Additional Criteria: Must meet the selection criteria for his/her residency program as defined by the accreditation authority for that residency program and as defined by the Program Director for that residency.

CORE ACCOUNTABILITIES

1. TEAMWORK: Cooperation, adaptability, flexibility, communication, dependability, supports team goals.
Works collaboratively with all departments.
Establishes and maintains open communication to enhance team effort.
Demonstrates flexibility in response to unexpected changes in work volume, emergencies, staffing and scheduling.
Fulfills work schedule and commitments.
Looks for opportunities to assist co-workers.

2. **RESPECT AND CARING**: Compassion, customer relations, professional behavior, confidentiality, valuing diversity.

   Uses interpersonal skills which convey a positive and supportive attitude.
   Uses discretion in discussions related to staffing or personal concerns.
   Gives constructive feedback in a non-blaming, positive and confidential manner.
   Makes continuous effort to identify opportunities to meet/exceed customer needs and expectations.
   Demonstrates commitment to understanding and valuing individual differences and fosters an environment of acceptance, fairness and mutual respect.

3. **EFFECTIVE USE OF RESOURCES**: Effective use of time, people, supplies, safe and attentive work practices.

   Works in a safe manner.
   Maintains a safe and clean work environment.
   Promotes cost effectiveness through the proper use and conservation of supplies and equipment.
   Identifies cost saving measures.
   Reports needed repairs or potential hazards to the appropriate department as soon as identified.
   Reports all on-the-job injuries and seeks medical attention as appropriate.

4. **INITIATIVE**: Self-motivation, takes on projects willingly, acts on opportunities to improve, contributes new ideas.

   Takes the initiative to identify and solve problems.
   Supports improvement and innovation in the workplace.
   Demonstrates awareness of and supports Legacy Health System departmental and operating unit goals through participation in continuous quality improvement and departmental activities.
   Promotes professional development and contributes to the professional growth of others.
1. Fulfills satisfactorily, and to the best of his/her ability, the academic requirements of the training program in which Resident is enrolled.
   - General and Program Requirements are defined by the Accreditation Council for Graduate Medical Education for Internal Medicine and Transitional Year Residencies, and by the Council on Podiatric Medical Education for Podiatric Surgical residencies.
   - Specific educational goals and objectives for each year of residency training are defined in the policy manual for each residency program.
   - Additional program requirements may be established by the Program Director.

2. Incorporates information provided through the residency program’s performance evaluation process to expand his/her knowledge base and develop the skills, values and attitudes applicable to his/her level of training.

3. Demonstrates knowledge of clinical medicine and applies this knowledge in the provision of inpatient and outpatient care, as appropriate for Resident’s level of training.

4. In consideration of the patient’s needs and age, demonstrates skill in patient admission, assessment, treatment planning, monitoring and discharge planning.

5. Demonstrates competency in medical records documentation.

6. Demonstrates good judgment in prioritizing and organizing workload to ensure timeliness of patient care.

7. Fulfills any Clinical and Educational Work Hours that are scheduled by Hospital and to which Resident is assigned.

8. Works as a twenty-four-hour team member with the oncoming residents sharing information about patients in the previous shift.

9. Maintains and increases medical knowledge through self-directed learning, attendance at resident conferences and meetings, and participation in professional organizations.

10. Participates in committees and work groups, as assigned, and actively contributes to group problem solving.

11. Assumes responsibility for teaching and supervising medical students and/or other residents.
12. Provides appropriate education to patients related to medical condition, self-care needs, health care habits, mobility, etc.

13. Incorporates age-specific learning principles into patient education strategies.

14. Familiarizes himself/herself with and abides by the policies, rules, procedures, and regulations which govern the work and conduct of residents and have been established by the residency program, the Hospital and its Medical Staff.

The above accountabilities represent work performed by this position and are not all-inclusive. The omission of a specific accountability will not preclude it from the position if the work is similar, related, or a logical extension of the position.
## PHYSICAL FUNCTIONS OF JOB
