

Meet the Faculty

Podiatric Medicine and Surgery Residency Faculty – Attending Physicians.

A good faculty is key to training residents who are well-prepared to accept the opportunities available to them post-residency, whether they choose private practice or continued experience through fellowship training.

The faculty members involved with Legacy's PMSR/RRA program are experienced physicians who are dedicated to teaching and furthering the podiatric medicine and surgery profession.

David Arndt, DPM

Medical Degree: Rosalind Franklin University, Scholl College of Podiatric Medicine
Residency Training: Legacy Health PMSR/RRA, 2011
