

## Legacy Health Partners Board of Managers

### 2017 Application Process and Overview

#### Applicant Qualifications

The open board seat is within the independent adult specialty pod. As such, **only** applications from physicians who meet these criteria will be considered.

The LHP Board of Managers is comprised of four pods, with four physician members per pod. The pod structure ensures representation from these four groups:

- Independent adult primary care providers
- Independent adult specialty providers
- Independent pediatric providers – general and specialty
- Legacy Medical Group and Legacy Health

#### Timeline

- The deadline for submitting a Board application is Friday, February 10, 2017
- The board meets on a monthly basis and the new member will join in April 2017.
- The term for this open seat concludes at the end of 2017, but the new member is eligible to serve a second, three year term pending LHP Board approval.

#### Board of Managers Roles and Responsibilities

- Develops and oversees the strategic direction of the network. Oversees the work of the four board subcommittees and has final approval authority for all recommended actions put forth by the committees, including but not limited to, clinical integration program performance measures, contracts entered into on behalf of the network, data integration activities and population health services.
- The time commitment associated with being a board member is approximately 4-6 hours/month of work including meeting preparation and attendance.
- Board members will be compensated through an annual stipend.
