

Take your LHP knowledge to the next level

Orientation sessions designed exclusively for members of Legacy Health Partners

Please plan to attend an LHP orientation session at a Legacy Health facility by the end of 2015.

The orientation is an opportunity to:

- Increase your knowledge about Legacy Health Partners
- Better understand the value of clinical integration
- Get your questions answered about the 2015 performance measures
- Receive points toward your clinical integration score
- Be eligible for financial incentives at the conclusion of the 2015 pilot
