

2016 Clinical Integration Education Sessions

Increase your knowledge and earn points on your dashboard

The Clinical Integration Education Module is one of the 2016 performance measures for LHP members and practice administrators. Attend an in-person session to ask questions and meet LHP leadership.

What you will learn:

- The importance of clinical integration to our future
- How you can impact the 2016 performance measures
- Tips for accessing and using the new dashboards
- Resources and support available to you and your practice

What you will earn:

- LHP members: 2 points for the provider measure if completed by June 30; 1 point if completed July 1 to Sept. 30
- Practice administrators: 1 point for the practice measure if completed by June 30; .5 points if completed July 1 to Sept. 30
