Testing Schedule Updates

Due to reduced volumes related to the COVID-19 health emergency, the following tests will be performed on a revised frequency or are delayed due to reagent shortage. Due to the potential for subsequent revisions, the updates will be posted here but not revised on the test table entry.

We appreciate your understanding as we continue to prioritize our technical and non-technical resources in preparation for additional workload related to COVID-19.

Test	Mnemonic	Revised Testing Frequency	Former Testing Frequency
Cyclic Citrullinated Peptide Antibody	CCP	Mondays only	Mon, Thur
Lead, Whole Blood	LEAD WB	Wednesdays only	Mon, Wed, Fri
Electrophoresis/Fixation	PELP, IEP, U PELP, U IEP	Variable – Please call 503-413-5008 for testing schedule	Sun - Fri
Total and Specific IgE	Varies	Wed, Fri	Tue, Wed, Fri
Urine and Drug Confirmatory Testing	Varies	Tue, Fri	Mon-Sat
