LEGACY LABORATORY SERVICES

2019 PAYOR LIST – OREGON AND SOUTHWEST WASHINGTON

It is always best to verify each insurance regarding which testing laboratories are in network or participating providers. Each plan/group may have individual restrictions. Please contact our billing office at 800-233-3570. Claims are submitted for all insurances. This does not guarantee coverage or payment from that payor. Patient deductibles, co-insurance, co-pays and non-covered charges are the responsibility of the patient.

Legacy LabAlert

An Important Message from Legacy Laboratory Services, LLC

Legacy Laboratory Services, LLC, is an independent, stand-alone laboratory that contracts with major insurance providers including Blue Cross, Aetna, Cigna, HealthNet, Moda, PacificSource, Providence Health and United HealthCare. We offer competitive out-of-pocket costs to both insured and uninsured outpatients across the Oregon and SW Washington region.

We do not charge “hospital prices” for outreach services.

Our regional laboratory is located in NE Portland, Oregon. Our facility includes a SAMHSA certified toxicology laboratory providing forensic and medical testing to healthcare facilities and businesses across the Northwest. Satellite outreach laboratories are located in Eugene, Oregon and St. Helens, Oregon. LLS also operates 22 patient service centers and 6 hospital laboratories.

In addition to general laboratory testing, and in partnership with Cascade Pathology Services, LLS offers specialty testing in the areas of anatomic pathology, cytopathology, coagulation, cytogenetics, flow cytometry, molecular diagnostics, toxicology, and virology. A blood products service line supports the transfusion needs of specialty hospitals and oncology transfusion centers.

Since 1992, LLS has offered the true value that comes from community-based commitment to our region’s patient care needs. We are proud to offer affordable, quality laboratory services across the patient care spectrum.

Thank you for choosing Legacy Laboratory Services. We sincerely appreciate your business.
