

COVID-19 Vaccine Transportation Info

The Oregon Health Authority, local public health agencies, and health systems are working quickly to build COVID-19 vaccination events in order to vaccinate as many Oregonians as possible. Many individuals who are eligible to be vaccinated in phase 1a or 1b do not have transportation to get to these events. They may need to rely on non-emergent medical transportation (NEMT) or other transportation options to access vaccination event sites.

Medicaid NEMT

For those members enrolled in the Oregon Health Plan (OHP), either with a Coordinated Care Organization (CCO) or as a Fee for Service (often known as “open card”) member, the transportation options include:

Medicaid Insurance Plan	Brokerage Name	Brokerage Phone
Health Share of Oregon	Ride to Care	503-416-3955 or 855-321-4899
