

# Legacy Cancer Institute

## Metastatic and Advanced Cancer Support Group *for Men*

Come for coffee and conversation with other men living with advanced cancer (stage IV or incurable, of any type), or cancer that has metastasized. Learn tools for coping from guest speakers, facilitators, and each other. Men are welcome to bring family members, friends, or caregivers along with them.

**Second Tuesday of each month**  
**11:00 AM - 12:30 PM**  
at Legacy Salmon Creek Medical Center

### **2019 DATES:**

May 14, June 11, July 9, August 13, September 10,  
October 8, November 12, December 10.

### **About the Facilitators**

#### **Catherine Patterson, LCSW, LCIASW, CCM**

Catherine has been providing support and resources to patients and their families for 15+ years. Catherine has extensive experience in the field of crisis and trauma. Her interests are oncology, palliative care and supporting individuals and families during difficult times.

#### **David Tinney, MA, MDiv**

David started his first career as a news photographer and took those street skills to the ministry, where he pastored churches for 20+ years. Three years ago, David retired and became a chaplain for Legacy Salmon Creek Medical Center. He has led numerous small groups and excelled at being a compassionate companion for those who are traveling on the difficult journey of cancer.
