

Women's Virtual

ADVANCED / METASTATIC

Cancer Support Group

Pink Lemonade Project and Legacy Salmon Creek have partnered to offer a unique support group for women living with advanced cancer or cancer that has metastasized. This is a safe and supportive place to share with others who are on a similar path. Learn tools for coping from facilitators, guest speakers, and each other.

This support group is for all women with any type of advanced or metastatic cancer.

This group meets once per month. You can choose to attend any or all of the sessions.

Please join us virtually on ZOOM.
