

There are several ways to transfer securities to Legacy Health:

1. Electronic transfer
2. Mailing
3. Hand delivery

1. ELECTRONIC TRANSFER

The most popular and efficient way to transfer securities to Legacy Health is by electronic transfer. If your stock is held at a brokerage firm, notify the broker that you wish to make a gift of securities to Legacy Health. Your broker will need written authorization from you before they can make the transfer. Be sure to tell them the name of the stock you want to transfer, the number of shares and where you would like your gift to be designated when it reaches Legacy Health. A Legacy Health stock transmittal form (*available on the next page*) can be used in place of a letter. Please mail or fax a copy of your authorization letter or the stock transmittal form to the following:

Attn: Gift Processing
Legacy Health - Office of Philanthropy & Community Engagement
PO Box 4484
Portland, OR 97208
Fax: 503-413-6447

2. MAILING STOCK CERTIFICATES

If your securities are not held at a broker then you can either mail or hand deliver the certificates directly to Legacy Health's Office of Philanthropy. If mailing, send your **unendorsed** certificate(s) and a cover letter (including your name, address, and purpose of the gift) in an envelope. In a separate envelope, send a signed, signature guaranteed stock power. We strongly recommend using registered mail to forward your certificates and stock power. A stock power form can be obtained at your local bank or by calling The Office of Philanthropy at 503.415.4700.

NOTE: *Please DO NOT mail endorsed certificates. Once the certificate is endorsed, it is legal tender and can be exchanged by anyone. It is strongly recommended certificates not be sent to a transfer agent for registering in Legacy Health's name. This procedure is unnecessary and results in needless delays of the transfer.*

3. HAND DELIVERY

Certificates may be given to a foundation gift officer or delivered to The Office of Philanthropy & Community Engagement at 2145 NW Overton, Portland, Oregon.
