A PLACE WHERE HOPE AND HEALING BEGIN

At CARES (Child Abuse Response and Evaluation Services) Northwest, we are passionate about ending child abuse in Multnomah and Washington Counties and throughout the state. We offer expert, compassionate child abuse evaluation and support services to children and their families, as well as a robust child abuse prevention education program in the community.

CARES Northwest is one of the oldest children's advocacy centers in the country and the largest in Oregon. Created in 1987, ours was the first program in the state to combine medical providers, interviewers, child protective services and law enforcement together in a multidisciplinary team to provide services and support for children with concerns of child abuse and neglect.

A CARING COLLABORATION

The program is a partnership among four of the region's leading health systems — **Randall Children's Hospital at Legacy Emanuel, OHSU's Doernbecher Children's Hospital, Kaiser Permanente, and Providence Children's Health** – and Multnomah and Washington Counties.

Advocating for almost 50,000 survivors of child abuse in our 39-year history, CARES Northwest is a leader in our region's efforts to protect our increasingly diverse community of children and promote their healing.

PLEASE JOIN US!

Bingo & Brews is a fun way to support the vulnerable children in our community. Guests will enjoy:

- Multiple rounds of bingo and prizes
- Buffet dinner, brews and non-alcoholic beverages
- A short program to learn more about our mission to stop child abuse and neglect through multidisciplinary prevention, medical evaluation and ongoing treatment in partnership with our community
