## WHAT IS #GIVINGTUESDAY?

**#GivingTuesday** is a global day of giving fueled by the power of social media and collaboration.

Celebrated the Tuesday following Thanksgiving and the widely recognized shopping events Black Friday, Small Business Saturday and Cyber Monday, #GivingTuesday kicks off the charitable season, when many focus on their holiday and end-of-year giving.

**This year, #GivingTuesday is December 1.**

## HOW YOU CAN HELP

Thank you for being a Legacy Health #GivingTuesday Ambassador! Our Ambassadors are **difference makers** – as an Ambassador who believes in our work, you can help us reach others; you can spread the word far and wide and secure #GivingTuesday participation from your friends and followers. You can help us positively impact even more lives.

### #GivingTuesday Ambassadors contribute in a variety of ways including:

- Making a gift to a Legacy Health foundation on Tuesday, December 1, 2020
- Sharing your “Why I Give” stories on Facebook, Twitter, and other social media
- Encouraging others to participate by sharing posts and tweets

The ideal #GivingTuesday Ambassador will share relevant content on behalf of Legacy to promote online giving. We ask Ambassadors to make an online donation, of any amount, and share your philanthropic support with others in your social network.
