

**RANDALL CHILDREN'S  
HOSPITAL**  
LEGACY EMANUEL

## Donation Guidelines and Child Life Program Wish List

This wish list consists of toys and activities which can be enjoyed by hospitalized patients throughout the year. Donations are distributed by staff throughout the year for various celebrations, birthdays, holidays, our weekly BINGO game, and for motivation and celebrating successes while patients are receiving treatment. Donations will also be used to stock our playrooms and for toy bins for patients to use while they are admitted.

### **Please note our toy donation guidelines and restrictions:**

- For the health and safety of our patients, **ALL** donations must be **BRAND NEW** and in the original packaging and/or with original tags attached ("Gently-Used" items, including stuffed animals and books, are **NOT** accepted)
- For the health and safety of our patients, donations should not have been in storage for longer than one year – even if they have been stored in plastic containers and original packaging
- We ask that donations are not gift wrapped nor be combined to create gift bags
- **We ask that donations are not holiday or religious themed, including during holiday times**

### **Instructions for delivering gifts to Randall Children's Hospital:**

In-person donations will be accepted on a limited, prescheduled basis. For your convenience, we have a large donation bin at the outside entrance of Randall Children's Hospital. Donation receipts are available on the bin and can be deposited with your new toy/activity donation. **(Bin available by end of November)**

If you would like to donate in person, we encourage you to participate in one of our Saturday **Toy Drive-Thru days** happening on **December 12 and December 19 from 10:00 a.m. – 3:00 p.m.** On these days, donors will drive past the main entrance of Randall Children's Hospital to a donation tent, where they will be greeted by Randall Children's Hospital staff accepting new toy/activity donations. Masks will be required, and donors are encouraged to remain in their vehicles. Donation receipts will be available upon request.

If you anticipate donating more than one car load of toys, please contact us at least one week prior to donation at [childlife@lhs.org](mailto:childlife@lhs.org) or (503) 413-1370.

If you are unable to participate in one of our Saturday Toy Drive-Thru dates and cannot use our donation drop off bin, please contact us at [childlife@lhs.org](mailto:childlife@lhs.org) or (503) 413-1370 at least one week prior to December 22 to discuss alternate options.

Due to current COVID-19 restrictions, access to outdoor space and hospital buildings is strictly limited to patients and families only. Please take any photos of your donation prior to arriving. Groups will not be allowed to gather indoors or outdoors.
